INVITATION TO TENDER

Reference: ITMS/2026/0417

Procurement Authority: Northern Regional Health Board
Contract title: Managed IT Infrastructure Services 2026-2029

1. The Authority invites sealed tenders for the provision of managed IT infrastructure, end-user support and cybersecurity services across four hospital sites for a period of 36 months, extendable by 24 months.

2. Tenders must be submitted in English. Any document not provided in English must be accompanied by a certified English translation.

3. Clarification questions must be submitted in writing no later than 2026-03-02 at 12:00. The Authority is not obliged to respond to questions raised after this date.

4. The deadline for submission of tenders is 2026-03-20 at 14:00 GMT. Tenders received after the closing time will be rejected without further notice.

5. Tenders shall remain valid and irrevocable for 120 days from the closing date.

SECTION B - MANDATORY REQUIREMENTS

B1. The tenderer must hold ISO 27001:2022 certification for information security management and must provide the certificate number.

B2. The tenderer shall hold public liability insurance of not less than EUR 5,000,000 per occurrence and professional indemnity insurance of not less than EUR 2,000,000.

B3. The tenderer must demonstrate an average annual turnover of at least EUR 4,500,000 over the last three financial years, evidenced by audited financial statements.

B4. The tenderer must have completed at least five similar contracts of not less than EUR 800,000 each within the last five years.

B5. The proposed project director must hold a PMP or PRINCE2 certification and must be available for at least 60 percent of the contract period.

B6. Any tenderer currently subject to litigation, or declaring pending legal proceedings, must attach a full written explanation on its own letterhead. Failure to disclose litigation will render the tender non-responsive.

B7. Subcontracting of any part of the works is not permitted without the prior written consent of the Authority. Any proposed subcontractor must be named in the submission.

Failure to meet any requirement marked B1 to B7 will result in the tender being rejected as non-compliant.

SECTION C - SUBMISSION REQUIREMENTS

C1. Every tenderer must submit the following documents. A submission missing any of these documents will be treated as incomplete and will be rejected:

(a) Technical proposal, maximum 25 pages, excluding appendices;

(b) Commercial proposal and completed price schedule;

(c) Bill of quantities in the format issued with this document;

(d) Audited financial statements for the last three years;

(e) ISO 27001:2022 certificate;

(f) Insurance certificates evidencing the limits stated in B2;

(g) Curriculum vitae of all key personnel;

(h) References for the five contracts described in B4;

(i) Declaration of no conflict of interest, signed by a director.

C2. A bid bond of EUR 50,000 must be submitted with the tender, in the form of a bank guarantee valid until 150 days after the closing date. The bid bond will be forfeited if the successful tenderer withdraws after award.

C3. Tenders must be submitted electronically through the portal at https://procurement.example.org and also as one sealed hard copy delivered to the address in paragraph 6. Submissions exceeding 25 pages may be rejected.

C4. Prices must be submitted in euro, excluding VAT, as firm fixed prices. The price validity period is 120 days.

C5. The Authority reserves the right to cancel or withdraw this tender at any time without liability to any tenderer.
